A MESSAGE FROM OUR PRINCIPAL:
Teachers are busy preparing Report Cards for all of the students. As you can imagine this is not a simple process. Teachers combine ongoing assessments moderated against state expectations mixed with professional experience. It is complex and this is done for every subject. Teachers will provide students with a standard on a 5 point scale and a comment that provides further details. The standard of “C”, “Sound” or “Making Connections” in the enrolled year level is the expected level of achievement. Report Cards will be posted home during the first week of the school holidays. I encourage you to take the time to talk through the report with your child.

The last two days of this term are our “Gala Days”. We received lots of positive comment about this initiative last term from students and parents. There will be more information regarding these days in the future however I encourage you to make yourself available to be part of this day with your child. Children do enjoy having mum or dad visit the school and be part of their learning.

A MESSAGE FROM STUDENT SERVICES:
This years book fair was a tremendous success! Two weeks ago, the library was buzzing every day before/after school and especially at lunch breaks! In total the school bought a total of $6223.30 in books, posters and stationary.
This means the school has now been able to spend a total amount of $2200 in new books and games for our school library. This will all be arriving in time for the start of Term 3. For those of you still waiting on book orders from book fair, the delivery was held up due to public holidays and is now en route to our school. These will be handed out to students in their classrooms. A huge thank you to Mrs George and her team for an amazing display through the library again this year. Thank you also to all the staff members and students who helped out throughout the week. We couldn’t have done it without you!

A MESSAGE FROM OUR P.E. TEACHER:
A few weeks ago three boys from our school represented the greater Rockhampton region in rugby league. Tristan Butcher in the U/12’s and Jaxon Field and Cayden Butcher in the U/10’s. All the boys played really well with Cayden being awarded player of the carnival. A reminder that our sports carnivals are next week. The seniors (9yrs and up) will be on Monday (16th) afternoon and Tuesday (17th). The juniors (Preps – 8yrs) on Wednesday (18th) with parents and spectators welcome.

We encourage students to wear clothes in a colour to support their house. (Chintoo: Yellow, Woree: Green, Malbooma: Blue). Tins of hair spray are not to be bought to school, however hair spray may be applied before arriving at school. All clothing must be sunsafe and hats must be worn.

Tuckshop will be a set menu for the whole school on both Tuesday and Wednesday. Please complete the order forms and return with money by Friday.

GENERAL NOTICES:

- **Silver for Fanfare:** Last Tuesday, Emu Park State School Concert Band travelled to Yeppoon State High School to compete in a regional heat of Fanfare. Fanfare is a biennial festival in which music ensembles from state schools across Queensland compete. Our band played very well, and were awarded silver for their performance. They represented our school favourably and should be very proud of their achievement. Well done! Thank you very much to Mrs De Sousa Roque for supervising our students on the day and to parents for ensuring that our students were transported across to the event. To those who were able to stay and watch our performance, we really appreciated your support.

- **School Photos:** School Photos are being held on Tuesday 24th June and payment must be made via the photo envelope provided either before photo day to the school office or on the day to the photographer. Each child must return his/her own envelope, even if payment is made in the eldest child’s envelope. Envelopes are not to be placed inside other envelopes. The school is only a collection agency for the envelopes and payment. Therefore, we are unable to assist with providing change or taking payment details. Advancedlife Photography have an automated system for payments by credit card. You can go online to [www.advancedlife.com.au](http://www.advancedlife.com.au) for easy to understand payment instructions. You will receive a receipt number which must be written on the order envelope in the space provided. You can also make payments by cash, cheque or money order in the envelope provided. Sibling photos are also available for students at the school. Please collect a “family order envelope” from the school office and return it to the office before photo day.

- **Parent Aide Reading Team (PART):** We are still very keen for parents anytime to drop into our junior classes (Prep – Year 3/4S) and take a few minutes to read to a student. We have boxes of books ready to go in each class, and a class list so we can keep track of which students have had the opportunity each week to hear someone read to them. Just say hello to the teacher and let them know you are there to read to students. Thank you to those who have been, and continue to drop in to our classes for PART. If you are at all uncertain and keen to know a bit more, please see Billie Stevens or Sarah McDonagh.
